Moultonborough Launches Monthly Video Talk Show

The Town of Moultonborough has launched a new video program to inform its many residents, taxpayers, and visitors of current events in the community. The one hour show is called Talk of the Town and is hosted by Town Administrator Carter Terenzini. The format is a conversation between Mr. Terenzini and Town officials or area leaders ranging from day to day operations to ongoing planning efforts such as the recently established Village Vision committee.

The Chairman of the Moultonborough SelectBoard, Mr. Jonathan W. Tolman, was the guest for the first show. Mr. Tolman said "Talk of the Town will be a great tool for keeping our residents informed about their town government and the issues we are focusing on throughout the year. It will also be a venue through which residents and taxpayers can send in a question or concern that they might not otherwise feel comfortable asking. I commend Carter on getting this program off the ground."

The show may be viewed on the Town's web site www.moultonboroughnh.gov by clicking on the Video on Demand icon on the home page. The show will also be available at 9 a.m. and 7 p.m. on the Town's shared PEG channel which is Channel 3 on the Time Warner Cable system.

At the conclusion of each show the guest for the coming month is announced and people may submit questions or suggestions for future discussion topics to Mr. Terenzini by email to cterenzini@moultonboroughnh.gov, by mail to PO Box 139, Moultonborough, NH 03254, or by fax to 603.476.5835.
